DESCRIPTION:

These student files are maintained to provide individual medical, family history, document attendance, gauge progress, and verify disability. In 1985, the Alpine School District began providing educational services to residents of the State Developmental Center. The Center provides educational services to severely mentally retarded and frequently emotionally handicapped children and adults who cannot be placed in group homes nor treated at home. All residents are placed at the Center by court order with half being wards of the State of Utah. Education is provided to students between the age of five and twenty-two for twenty-seven hours a week or two hours a week for homebound students. There are no grade levels and diplomas are not awarded. Classes are organized according to age and intellectual abilities. Certificates of completion are awarded. Goals are established for individual curriculum which are slightly above the student's level. The files include individual education program (IEP) forms, various testing results, behavior management charts, private data evaluations, and certificates.
