3

TITLE: Private fuel storage LLC case files

DATES: 1997-

ARRANGEMENT: Alphanumerical by type.

DESCRIPTION:

These records are case files of the Private Fuel Storage LLC. The files include information documenting environmental disputes with this spent nuclear fuel facility. The files are segregated from other case files because of their voluminous quantity and long litigation history. Records include the company's license application to the Nuclear Regulatory Commission (NRC) for storage of high level waste on the Skull Valley Goshute Indian Reservation, Tooele County, and related technical documents. Records include litigation in the NRC licensing proceeding (Docket No. 72-22) and related judicial appeals. Records include Bureau of Indian Affairs (BIA) documents, copies of Freedom of Information Act (FOIA) documents, and copies of Utah State laws concerning high level nuclear waste. Files may also include research notes and general information.
