AGENCY: Salt Lake City (Utah).Public Works. Division of Street Maintenance

SERIES: 8957

3

TITLE: Addresses for non-collection

DATES: 1979-

ARRANGEMENT: Numerical by route number

DESCRIPTION:

These are lists of names and addresses used for various municipal mailings (billings and other administrative purposes).

RETENTION:

Retain until superseded.

DISPOSITION:

Destroy.

STATE RECORDS COMMITTEE STATUS:

This retention was approved by the State Records Committee on 03/01/1988.

FORMAT MANAGEMENT:

The retention and disposition information on this schedule applies to the record copy which can be in any format. The record copy can include different formats. Format management information provided here is for the purpose of managing records that are being either stored by or transferred to Utah State Archives.

Paper: Retain in Office until change occurs and then destroy.

APPRAISAL:

This disposition is based on Utah Municipal General Records Retention Schedule, Schedule 1, Item 12.

PRIMARY CLASSIFICATION:

Public

AGENCY: Salt Lake City (Utah).Public Works. Division of Street Maintenance

SERIES: 8957

TITLE: Addresses for non-collection

(continued)

SECONDARY CLASSIFICATION(S):

Private. UCA 63G-2-302(2)(d) (2008)

AGENCY: Salt Lake City (Utah).Public Works. Division of Street Maintenance

SERIES: 84688

3

TITLE: Asphalt production records

DATES: 1988-

ARRANGEMENT: chronological

ANNUAL ACCUMULATION: 0.50 cubic feet.

DESCRIPTION:

These records consist of a daily computer printout and a daily log showing aggregate tonnage of asphalt produced at the city asphalt plant. The printout is received daily and the information is recorded in the log and the printout is then destroyed. They are used for budget purposes. They include: customer name, job location and supervisor, name of weighmaster, customer number, job number, truck number, amount, type and description of mix, and ingredient information.

STATE RECORDS COMMITTEE STATUS:

This retention was approved by the State Records Committee on 09/01/1989.

FORMAT MANAGEMENT:

The retention and disposition information on this schedule applies to the record copy which can be in any format. The record copy can include different formats. Format management information provided here is for the purpose of managing records that are being either stored by or transferred to Utah State Archives.

Paper: Retain in Office for 7 years and then destroy.

Computer data files: Retain in Office for 1 day and then delete.

APPRAISAL:

Administrative

This retention is based upon the administrative needs expressed by the office.

AGENCY: Salt Lake City (Utah).Public Works. Division of Street Maintenance

SERIES: 8936

3

TITLE: Class C road funding project files

DATES: 1982-

ARRANGEMENT: Numerical by project number

ANNUAL ACCUMULATION:

DESCRIPTION:

These project files document the funding for Class C roads. Class C funding is federal and state highway funds allocated through the state for street maintenance purposes. These files include: amount of grant and information on how funds were spent for each project (man hours, vehicle usage, and materials used for each project).

STATE RECORDS COMMITTEE STATUS:

This retention was approved by the State Records Committee on 09/01/1989.

FORMAT MANAGEMENT:

The retention and disposition information on this schedule applies to the record copy which can be in any format. The record copy can include different formats. Format management information provided here is for the purpose of managing records that are being either stored by or transferred to Utah State Archives.

Paper: Retain in Office for 3 years or until resolution of litigation, claim, or audit and then destroy.

Computer data files: Retain in Office for 3 years or until resolution of litigation, claim or audit and then delete.

APPRAISAL:

Administrative Historical

This retention is based upon the administrative needs of the division and Office of Management and Budget (OMB) Circular A-102, Attachment C, 3/82. This series was originally approved by the State Records Committee in June of 1986. It is resubmitted to recognize the automation of the record and its retention.

AGENCY: Salt Lake City (Utah).Public Works. Division of Street Maintenance

SERIES: 8938

3

TITLE: Complaints

DATES: 1982-

ARRANGEMENT: Chronological

ANNUAL ACCUMULATION:

DESCRIPTION:

These files document complaints received and how they were responded to by the department (e.g., streets, sanitation, traffic signals). They include name and address of complainant, date received, description of problem, and action taken.

RETENTION:

Retain 2 years or until resolution of litigation, whichever occurs latter.

DISPOSITION:

Destroy.

STATE RECORDS COMMITTEE STATUS:

This retention was approved by the State Records Committee on 12/01/1997.

FORMAT MANAGEMENT:

The retention and disposition information on this schedule applies to the record copy which can be in any format. The record copy can include different formats. Format management information provided here is for the purpose of managing records that are being either stored by or transferred to Utah State Archives.

Paper: Retain in Office for 2 years or until resolution of litigation, whichever occurs latter and then destroy.

APPRAISAL:

This disposition is based on Utah Municipal General Records Retention Schedule, Schedule 23, Item 3.

3

TITLE: Concrete maintenance records

DATES: 1980-

ARRANGEMENT: Chronological

ANNUAL ACCUMULATION:

DESCRIPTION:

This record documents the replacement of concrete maintenance necessary when the city is responsible for damage caused by city vehicles (i.e. garbage trucks, snow plows) or problems caused by storm damage or other acts of nature. Maintenance may either be done by the city or contractors through the bidding process. It is used for budget purposes and to indicate the completion of the project. It includes: a card file, copies of receipts, pay vouchers, contracts, bids, correspondence, extra work orders, estimates, sketch or diagram, photographs, council district information, and proof of mailing estimate. This information has been automated and placed on floppy disk for seven years. It is backed up weekly on tape.

STATE RECORDS COMMITTEE STATUS:

This retention was approved by the State Records Committee on 09/01/1989.

FORMAT MANAGEMENT:

The retention and disposition information on this schedule applies to the record copy which can be in any format. The record copy can include different formats. Format management information provided here is for the purpose of managing records that are being either stored by or transferred to Utah State Archives.

Paper: Retain in Office for 7 years and then destroy.

Computer data files: Retain in Office for 6 months or until approval of Deteriorated Concrete Inspector and then delete provided information is put to floppy disk for 7 years.

APPRAISAL:

Administrative

This series was originally approved in June 1986. It is resubmitted to acknowledge the automation of the record, place a retention on that information, and to substantially change the description to more accurately describe the record.

3

TITLE: Sanitation concrete replacement project case files

DATES: 1980-

ARRANGEMENT: Alphanumerical

ANNUAL ACCUMULATION:

DESCRIPTION:

These records document the replacement of concrete maintenance necessary when the municipality is responsible for damage caused by municipal vehicles (e.g. garbage trucks, snow plows) or problems caused by storm damage or other acts of nature. Maintenance may either be done by the municipality or contractors through the bidding process. These records are used for budget purposes and indicate the completion of the project. They include a card file, copies of receipts, pay vouchers, contracts, bids, correspondence, extra work orders, estimates, sketch or diagram, photographs, council district information, and proof of mailing estimate.

RETENTION:

Retain 7 years.

DISPOSITION:

Destroy.

STATE RECORDS COMMITTEE STATUS:

This retention was approved by the State Records Committee on 06/01/1997.

3

TITLE: Special service district's operational files

DATES: 1984-

ARRANGEMENT: Alphanumerical

ANNUAL ACCUMULATION:

DESCRIPTION:

These are the operational files for two Special Service Districts, Northwest Underdrain System and the Alley Collection District. The Northwest Underdrain System pumps high ground water into the storm sewers taking it through the system to the lake. Property owners benefitting from the service pay for the pumping and maintenance of the service. The Alley Collection District is for Federal Height residents who did not want the appearance of the neighborhood detracted by curb garbage cans. Refuse is picked up in the alleys and residents pay for service. Includes: budgetary information, operating and maintenance records, property descriptions, lists of property owners, and investment for future funding.

RETENTION:
