AGENCY: Utah State Tax Commission. Auditing Division

SERIES: 21006

3

TITLE: Aircraft fuel audits

DATES: 1976-

ARRANGEMENT: Alphabetical by account name

ANNUAL ACCUMULATION: 1.00 cubic foot.

DESCRIPTION:

These files document the audits of aviation fuel vendors. The files contain audit reports, which detail the auditor's findings, and the supporting workpapers from the audit of a taxpayer. The files include specific tax return information such as copies of returns, and payments made by the taxpayer. They may also hold federal income tax information. Copies of other taxpayer records may be included as supporting evidence for the audit conclusions. The files contain the audit program outlining the methods and procedures followed during the course of the audit, and all legal and court documents related to taxpayer appeals.

RETENTION:

Retain for 15 years.

DISPOSITION:

Destroy.

STATE RECORDS COMMITTEE STATUS:

This retention was approved by the State Records Committee on 06/01/1999.

FORMAT MANAGEMENT:

The retention and disposition information on this schedule applies to the record copy which can be in any format. The record copy can include different formats. Format management information provided here is for the purpose of managing records that are being either stored by or transferred to Utah State Archives.

Paper: Retain in Office for 15 years and then destroy.

APPRAISAL:

Administrative

This disposition is based on the recourse rights of taxpayers to seek refunds of taxes paid under UCA 59-12-110 (1998) and the need to have the information available for subsequent audits.

AGENCY: Utah State Tax Commission. Auditing Division

SERIES: 21006

(continued)

PRIMARY CLASSIFICATION:

Protected UCA 63G-2-305(14) and 59-1-403 (2008)

AGENCY: Utah State Tax Commission. Auditing Division

SERIES: 14119

4

TITLE: Audit tax and selection manuals

DATES: 1990-

ARRANGEMENT: Alphabetical by tax type

ANNUAL ACCUMULATION: 5.00 cubic feet.

DESCRIPTION:

Audit manuals used by the division to establish criteria and guidelines for the agency, division, and its employees to select, prepare, conduct, finalize and otherwise perform tax audits on businesses and individuals. These manuals cover all taxes imposed by statutes which taxpayers are required to pay under Title 59 of the Utah Code Annotated. Information contains audit selection criteria, definition, scope of audit approach standards for dealing with tax payers, penalty assessment guidelines, bankruptcy procedures, audit program internal controls, checklists, reports, work paper preparation requirements, notes, letters, and other materials and standards used to conduct, prepare, schedule and finalize audits.

RETENTION:

Retain until updated.

DISPOSITION:

Transfer to the State Archives with authority to weed.

STATE RECORDS COMMITTEE STATUS:

This retention was approved by the State Records Committee on 01/01/1996.

FORMAT MANAGEMENT:

The retention and disposition information on this schedule applies to the record copy which can be in any format. The record copy can include different formats. Format management information provided here is for the purpose of managing records that are being either stored by or transferred to Utah State Archives.

Paper: Retain in Office until updated and then transfer to State Archives with authority to weed.

APPRAISAL:

This disposition is based on the administrative and historical needs requested by the agency. Once the information is updated it is no longer needed by the agency. However, a sample of the

auditing procedures should be retained permanently to document tax audit procedures.

PRIMARY CLASSIFICATION:

Protected UCA 63G-2-305(14) (2008)

SECONDARY CLASSIFICATION(S):

Public. Audit procedure information becomes public once the procedures are obsolete and no longer used by the Tax Commission.

AGENCY: Utah State Tax Commission. Auditing Division

SERIES: 9956

3

TITLE: Audit workpapers

DATES: 1980-

ARRANGEMENT: Chronological, thereunder numerical by account number

ANNUAL ACCUMULATION: 40.00 cubic feet.

DESCRIPTION:

These workpapers are used by the Tax Commission's auditing division to select, analyze, perform, evaluate, and finalize audits conducted regarding taxpayers tax returns. They contain forms, worksheets, checklists, signature records, transmittals, projection forms, referral sheets, assessment forms, investigations, adjustment records, case notes, informant leads, actions taken by taxpayers, and other documents created and used by the division to conduct audits. They include the taxpayers name, address, social security number, account numbers, and salary/income.

Accounts chosen for audit are transferred to their specific tax audit series.

RETENTION:

Retain 15 years

DISPOSITION:

STATE RECORDS COMMITTEE STATUS:

This retention was approved by the State Records Committee on 06/01/1992.

FORMAT MANAGEMENT:

The retention and disposition information on this schedule applies to the record copy which can be in any format. The record copy can include different formats. Format management information provided here is for the purpose of managing records that are being either stored by or transferred to Utah State Archives.

Paper: Retain in Office for 15 years or until audit and collection has closed and then destroy.

Computer data files: Retain in Office for 15 years or until audit and collection procedures are closed and then erase.

3

TITLE: Beer tax audits

DATES: 1972-

ARRANGEMENT: Alphabetical by taxpayer name

ANNUAL ACCUMULATION: 2.00 cubic feet.

DESCRIPTION:

These files contain beer tax audit report documents as required by UCA 59-15-105. Subsection (3) of this section states that it is the duty of every person manufacturing or importing beer for sale in the state of Utah to keep and preserve adequate records for a period of three years showing the amount of beer sold. These files include Beer tax audits, Schedule of Sales to Utah Beer Distributors, Monthly Summary of Beer Brewed and Imported, Schedule of Imported Beer, deficiency assessments, audit work papers, warrants for delinquent beer tax, copies of invoices, and correspondence. All legal and court documents related to taxpayer appeals are also included in the files.

AGENCY: Utah State Tax Commission. Auditing Division

SERIES: 4462

TITLE: Beer tax audits

(continued)

APPRAISAL:

Administrative Fiscal Legal

Audit records are needed to determine if a pattern of noncompliance exists. Two previous audits are sufficient for these purposes. If the business closes, the record only has to be kept for three year audit period. In collection cases, the information is needed for compliance and as an information source for assets and income. Uncollectible accounts need to kept in case taxpayer's financial status changes.

TITLE: International fuel tax agreement records

DATES: 1989-

ARRANGEMENT: Chronological, thereunder alphabetical by state, thereunder numerical by account

ANNUAL ACCUMULATION: 3.00 cubic feet.

DESCRIPTION:

These are records of companies who are members of the International Fuel Tax Agreement (IFTA), as governed by article 8 of the IFTA. It records interstate trucking and common carriers who travel through Utah and pay fuel and highway usage taxes. It also records those companies who participate in the IFTA program. These records are used to determine taxes due and amount to be paid by the state of Utah to other IFTA member states. They contain returns, schedules, adjustments, audits, and jurisdiction agreements. Information includes owner's name, address, social security number; vehicle information, type of fuel used, the states in which the business operates; business type, gallons used, miles traveled; taxes due, audit papers, bulk purchases, and assessments due. May also include collection reports received from other member states.

This record series is being microfilmed in random order as part of 17051, Business tax microfilm.

provided microfilm has passed inspection.

Microfilm master: Retain in State Records Center for 5 years and then destroy.

Microfilm duplicate: Retain in Office for 5 years and then destroy.

APPRAISAL:

Administrative Fiscal

This disposition is based on the administrative and fiscal needs of the Tax Commission. Article 8 of the International Fuel Tax Agreement stipulates that these records and returns must be kept 4 years from the date they are due or filed.

PRIMARY CLASSIFICATION:

Protected Article 15, section 1500, International Registry Plan. UCA 63G-2-305(2) (2008)

AGENCY: Utah State Tax Commission. Auditing Division

SERIES: 21017

3

TITLE: Lubricating oil fee audits

DATES: 1993-

ARRANGEMENT: Alphabetical by account name

ANNUAL ACCUMULATION: 1.00 cubic foot.

DESCRIPTION:

These files document the audits of payments of the lubricating oil fee. The files contain audit reports, which detail the auditor's findings, and the supporting workpapers from the audit of a taxpayer. The files include specific tax return information such as copies of returns, and payments made by the taxpayer. They may also hold federal income tax information. Copies of other taxpayer records may be included as supporting evidence for the audit conclusions. The files contain the audit program outlining the methods and procedures followed during the course of the audit, and all legal and court documents related to taxpayer appeals.

RETENTION:

Retain for 15 years.

DISPOSITION:

Destroy.

STATE RECORDS COMMITTEE STATUS:

This retention was approved by the State Records Committee on 06/01/1999.

FORMAT MANAGEMENT:

The retention and disposition information on this schedule applies to the record copy which can be in any format. The record copy can include different formats. Format management information provided here is for the purpose of managing records that are being either stored by or transferred to Utah State Archives.

Paper: Retain in Office for 15 years and then destroy.

APPRAISAL:

Administrative

This disposition is based on the recourse rights of taxpayers to seek refunds of taxes paid under UCA 59-12-110 (1998) and the need to have the information available for subsequent audits.

AGENCY: Utah State Tax Commission. Auditing Division

3

TITLE: Mineral production tax returns/withholding statements

DATES: 1980-

ARRANGEMENT: Chronological, thereunder numerical by internal control number

ANNUAL ACCUMULATION: 0.50 cubic feet.

DESCRIPTION:

These are quarterly returns and withholding statements filed by mining and mineral companies. Information includes production amounts and ownership and liabilities. UCA 59-6-103(1990), states that the producers of minerals are required to "deduct and withhold any tax" and in UCA 59-6-102(1990), shall pay the Tax Commission the amounts required from payments resulting from the production of minerals which were made during the preceding calendar quarter. The files contain correspondence, returns, statements, reconciliations and adjustment form. The statement lists owners name, address, withholding number, social security number, amount due and tax period.

This paper record series is filmed in random order as part of record series 17051, Business tax microfilm.

3

TITLE: Withholding tax audits

DATES: 1973-

ARRANGEMENT: Alphabetical by account number

ANNUAL ACCUMULATION: 1.00 cubic foot.

DESCRIPTION:

These files document the audits of withholding taxes. The files contain audit reports, which detail the auditor's findings, and the supporting workpapers from the audit of a taxpayer. The files include specific tax return information such as copies of returns, and payments made by the taxpayer. They may also hold federal income tax information. Copies of other taxpayer records may be included as supporting evidence for the audit conclusions. The files contain the audit program outlining the methods and procedures followed during the course of the audit, and all legal and court documents related to taxpayer appeals.

RETENTION:

Retain for 15 years

DISPOSITION:

Destroy.

STATE RECORDS COMMITTEE STATUS:

This retention was approved by the State Records Committee on 06/01/1999.

FORMAT MANAGEMENT:

The retention and disposition information on this schedule applies to the record copy which can be in any format. The record copy can include different formats. Format management information provided here is for the purpose of managing records that are being either stored by or transferred to Utah State Archives.

Paper: Retain in Office for 15 years and then destroy.

APPRAISAL:

Administrative

This disposition is based on the recourse rights of taxpayers to seek refunds of taxes paid under UCA 59-12-110 (1998) and the need to have the information available for subsequent audits.
