Many of the products manufactured by the agency are for federal contracts. 34 CFR 379.43(1) and 379.43(m)(7) indicate that records involving federal grants and rehabilitation services must be available for audits and for comparison over a several year period. 34 CFR 401.19(10) indicates that records be maintained for five years for evaluation of vocational education programs. This retention is therefore in keeping with agency needs and federal requirements.
