AGENCY: Utah State University

SERIES: 80590

3

TITLE: Admission and records

DATES: undated

ARRANGEMENT: Chronological

DESCRIPTION:

This series contains reports related to the composition of the university's student body and registration statistics. The series includes a spread sheet that documents the number of students by name and school, and then by department. Additional reports document school attendance totals by year, students by their high school, a census of students by county, enrollment of students by state, foreign country or nationality, by department and gender, and a count of students by department and school. Other reports include ROTC selective service reports, a list of Masters of Science students and masters thesis titles, scholarship lists, and a "buzzer listing" report. Files containing official documentation listing student's courses, grades, credits earned, and status achieved. Often referred to as a transcript.

RETENTION:

Retain Permanent

DISPOSITION:

Retain in agency custody.

STATE RECORDS COMMITTEE STATUS:

This retention was approved by the State Records Committee on 07/01/1990.

FORMAT MANAGEMENT:

The retention and disposition information on this schedule applies to the record copy which can be in any format. The record copy can include different formats. Format management information provided here is for the purpose of managing records that are being either stored by or transferred to Utah State Archives.

Paper: Retain in Office permanently and then may be sent to the archives.

Microfilm master: Retain in State Archives permanently.

Microfilm duplicate: Retain in State Archives permanently.

AGENCY: Utah State University
