AGENCY: Cache County (Utah). County Surveyor

SERIES: 6339 4

TITLE: Engineering maps

DATES: s 1970.

ARRANGEMENT: Numerical by section of county, township, and range in that township

DESCRIPTION:

This series consists of survey maps of cities within Cache County which show land ownership and use. These city layouts were used to assess needs of city zoning and gain a clearer view of private land use and ownership.

STATE RECORDS COMMITTEE STATUS:

This retention has not been approved by the State Records Committee.

FORMAT MANAGEMENT:

The retention and disposition information on this schedule applies to the record copy which can be in any format. The record copy can include different formats. Format management information provided here is for the purpose of managing records that are being either stored by or transferred to Utah State Archives.

Microfilm master: Retain in State Archives permanently with authority to weed.

Microfilm duplicate: Retain in State Archives permanently with authority to weed.

AGENCY: Cache County (Utah). County Surveyor

SERIES: 6338

4

TITLE: Irrigated lands survey

DATES: undated

ARRANGEMENT: Numerical by section and plat number.

DESCRIPTION:

This series is the recorded appraisal by the county surveyor's office of the irrigated lands in Cache County. The county is divided into sections and within each section plats are individually owned. The ownership of the plat is recorded and type of land specified (meadow, grove, cultivated, marsh). This source of irrigation (canal, stream, or river) is cited and use for irrigation specified.

STATE RECORDS COMMITTEE STATUS:

This retention has not been approved by the State Records Committee.

FORMAT MANAGEMENT:

The retention and disposition information on this schedule applies to the record copy which can be in any format. The record copy can include different formats. Format management information provided here is for the purpose of managing records that are being either stored by or transferred to Utah State Archives.

Microfilm master: Retain in State Archives permanently with authority to weed.

Microfilm duplicate: Retain in State Archives permanently with authority to weed.

APPRAISAL:

Historical

Disposition based on the value of these records in documenting the ownership of specific plats, type of land, and the source of irrigation.
