As clients are allowed access to their files, a classification of private is appropriate and consistent with 34 CFR 366.42. 34 CFR 379.43(1) and 34 CFR 379.43(m)(7) indicate that records involving federal grants and rehabilitation services must be available for audits and for comparison over a several year period. 34 CFR 401.19(10) indicates that records be maintained for five years for evaluation of vocational education programs. This retention is therefore in keeping with agency needs and federal requirements. Previous decision: RDR 82-04 indicates a total retention of five years and a classification of confidential.
