SERIES: 28168

3

TITLE: Compliance inspection reports

DATES: 2008-

ARRANGEMENT: Alphabetical by name of employer or establishment, thereafter
chronological

DESCRIPTION:

These files document occupational safety and health inspections performed at Utah places of employment. These inspections may occur on a schedule plan or as a result of a fatality, accident, or complaint. Inspection includes hazard identification for physical hazards and industrial hygiene testing to determine exposure levels to health hazards that may be in violation of occupational safety and health regulations. Inspection records include establishment name, establishment type (public or private), physical and mailing addresses, type of inspection, number of employees, telephone number, scope of the inspection, time and date of inspection, narrative on findings, citations issued, video and audio recordings, and the name and signature of the designated approving officer and the compliance inspector.

RETENTION:

Retain 10 years

DISPOSITION:

Destroy.

STATE RECORDS COMMITTEE STATUS:

This retention was approved by the State Records Committee on 04/01/2013.

FORMAT MANAGEMENT:

The retention and disposition information on this schedule applies to the record copy which can be in any format. The record copy can include different formats. Format management information provided here is for the purpose of managing records that are being either stored by or transferred to Utah State Archives.
