TITLE: Civil Rights Act compliance records

DATES: i 1969-1984.

ARRANGEMENT: Chronological

TOTAL VOLUME: 0.10 cubic feet.

DESCRIPTION:

These records document the center's compliance to the provisions of the Civil Rights Act of 1964. "An applicant for Federal financial assistance through the Department of Health and Human Services" must document such compliance [45 Code of Federal Regulations (CFR) 80.1 (1989)]. These files include the Assurance of Compliance Report [45 CFR 84.5(b)(1989)] which contains the name of designee, name of recipient, address, employer identification number, date, and signature of authorized official; newsletters; copies of regulations; copies of public notification; on-site review report to assure nondiscrimination innursing homes (containing the identifying information, auspices and capacity of facility, admission and occupancy, use of facility and services, and people rendering services); and report on the compliance of facility to rules. Though the compliance responsibility is continuing, these files seem to be closed; nothing has been added since 1984.

RETENTION AND DISPOSITION AUTHORIZATION:

Retention and disposition for this series were specifically approved by the State Records Committee.

APPROVED: 12/1990

FORMAT MANAGEMENT:

Paper: Retain in Office for 3 years or until superseded and then destroy.

APPRAISAL:

These records have administrative value(s). This disposition is based on the administrative needs expressed by the center. The federal government does not specify any retention requirements for these records. The care center would like to retain these records until new guidelines are developed.

TITLE: Facility cost profile report

DATES: 1994.

ARRANGEMENT: Chronological by year

DESCRIPTION:

This annual financial report is required by the Utah Division of Health Care Financing. It is used as the basis for establishing a data base for rate calculations and is due two months after the end of the reporting period. The report includes balance sheets (containing current assets, description and amount, with handwritten notations), a statement of revenues and expenditures (description, current year, year to date, totals); and the facility cost profile report form.

The profile report form resembles an income tax form and consists of four individual schedules (Schedules A, C, D, and E). The report's cover sheet includes the name and address of the facility, type of facility, total number of licensed beds, type of ownership, and a certification attesting to the accuracy of the report signed by the center's administrator and report's preparer. Schedule A includes the provider number, name of auditing firm and dates of last audit, questions concerning ownership, changes in rates, an attached balance sheet for the beginning and ending of period covered (expenses per general ledger, adjustments, facility cost profile reported expenses, audit adjustments and reclassifications), audited cost, patient days by type (private, Medicaid, Medicare, and Veterans Administration), total days reported, capacity (number of beds, days at capacity, total days), classification of facility and totals. Schedule C reports on Medicare revenue and includes period covered, facility cost profile reported revenue, totals, private revenue relating to period, other revenue not offset against cost, total revenue not offset against operating cost. Schedule C-2 includes the checklist of adjustments made to operating expenses and reported adjustments (income from patients, and miscellaneous income).

Schedule D reports on rental property, and Schedule E is a compilation of return on equity capital of proprietary procedures. The Pioneer Care Center does not use schedules D and E.

TITLE: Green Thumb Program case files

DATES: 1994.

ARRANGEMENT: Chronological, thereunder alphabetical by employee name

DESCRIPTION:

These files document the care center's participation in the Green Thumb Program. This is a program designed to improve the economic and social conditions of older Americans and rural communities in providing essential community services and promoting the employment and training of older Americans. The Green Thumb Program is sponsored by the National Farmers' Union and is funded by the U.S. Department of Labor. Participants are low income persons 55 years and older who work an average of 20 to 24 hours per week and are paid directly by the program. The care center receives no funding for participating.

The files include time cards (pay period, dates, times in and out); Green Thumb employment form (enrollee name, address, job title, social security number, beginning and ending dates, contributor's name and address, phone, county, type of project, nature of work, date, number hours worked plus holidays, sick hours, classification of in-kind supervision hours, supervisor's initials, total hours of supervision multiplied by rate of pay and total, other itemized costs, cost contribution and amount totals, worker's signature, and supervisor's signature); time sheets (county, name, address, social security number, phone, host agency address, phone number, enrollee's signature hours worked, sick hours, personal leave, totals, enrollee change of address, any change in work schedule, enrollee's and supervisor's signatures); performance review form (name, date, job title, review of performance, and host agency comments); enrollee job description; work schedule; medical examination form; memoranda; and surveys.

TITLE: Health care provider contracts

DATES: 1994.

ARRANGEMENT: Chronological

DESCRIPTION:

These are agreements between the state of Utah and Pioneer Care Center by which the care center agrees to abide by the requirements of the Medicare program in order to receive Medicare funding. As a condition of participation in certification or recertification, these agreements are required by 42 Code of Federal Regulations (CFR) 431.107 (1989), and are renewed annually.

The files include correspondence from the Division of Health Care Financing, signed and approved contracts, and ownership disclosure forms. The ownership disclosure form is required to be part of the certification process for all facilities participating in the Medicare program by 42 CFR 442 (1989). It includes the following information: name and address of the facility, provider number, vendor number, contract number, city, state and zip code, phone number, indication of whether the care center is government operated or a chain affiliation, type of facility, and names and addresses of individuals having direct or indirect ownership of facility.

TITLE: Hill-Burton community service assurance reports

DATES: 1994.

ARRANGEMENT: Chronological

DESCRIPTION:

These are copies of the triennial report required to be submitted to the Department of Health and Human Services by 42 Code of Federal Regulations (CFR) 124.509 (1989). The reports provide assurances that the facility will serve patients from the community without regard to race, age, or ability to pay. This policy is a condition for receiving federal assistance through the Hill-Burton Act for the construction and modernization of health care facilities.

The report includes the identification number; name and address of facility; fiscal year end; type of facility; change in status (yes/no), if yes, transfer of status change; primary geographic area served; governmental third party payer programs (Medicare, Medicaid); and existence of organized emergency rooms; number of admissions; length of operations; number of patients that stayed in facility previous night; questions on type of case; number of Veterans Administration patients; number of Black residents, Hispanics; number per age category; signature of administrator, and date report was completed.

TITLE: Hill-Burton uncompensated care program subject files

DATES: 1994.

ARRANGEMENT: Alphabetical by subject, thereunder chronological

DESCRIPTION:

These files document participation in the Hill-Burton Uncompensated Care Program. The Hill-Burton Act was enacted to provide federal assistance to communities for the construction and modernization of health care facilities. Each medical facility receiving program funds must provide annually a reasonable volume of services to persons unable to pay for those services. Uncompensated services means "services which are made available to persons unable to pay therefor without charge or at a reasonable cost of such services" [42 Code of Federal Regulations (CFR) 53.11(6)(1989)]. The Pioneer Memorial Care Center was constructed with Hill-Burton Act funds. These files include the Box Elder Plan for providing uncompensated nursing home care 1980; copies of state and federal rules and regulations; Utah Fact Sheet Financial Assistance, 1946-1971; related correspondence; Notice of availability of Free Nursing Home Care; computation charts; providers guide; Program Notices; inactive applications for uncompensated services (containing name, address, phone, occupation, employer, gross family income for last three months, and total income for last twelve months, family size (names and relationships), date and signature); and attached authorization calculation sheet (includes income, whether eligible for no-pay or part-pay, or ineligible, date and signature of person determining eligibility, and date applicant provided a copy of application).

DESCRIPTION:

These are convenience copies of review forms submitted to the Division of Health Care Financing. The original form is used to verify that patients admitted to medical institutions need to be there and are receiving proper care. The copy is used to verify that the form was submitted and is held until the center receives another copy of the original from Health Care Financing indicating acceptance of the patient's care. The acceptance copy is then filed in the patient's case file (series 06547). This information is required by 42 Code of Federal Regulations (CFR) 456 subparts C and E (1989).

These files include Preadmission/Continued Stay Inpatient Care Transmittal forms, Patient Care Transmittal, Continued Stay Review, and contact note sheets. Information includes an evaluation for the recipient's need for assistance, a plan of care, medical review, and certification by a physician that inpatient care is needed. Personal identifiers include age, alcohol or drug addiction, appearance, assets and debts, civil/criminal court involvement, current and past addresses, date of birth, employer, home ownership, income, marital status, medical information, membership in groups, name, name of kin, personality inventory, physical characteristics, physical disabilities, psychiatric information, religious preference, sex, signature, social security number, telephone number, name of provider, provider identification number, name of the attending physician, and any changes to the patient's condition or plan of care.
