TITLE: Child and Adult Care Food Program agreement and review files

DATES: 1975-

ARRANGEMENT: Alphabetical by local provider name, thereunder chronological by fiscal year

ANNUAL ACCUMULATION: 0.10 cubic feet.

DESCRIPTION:

For all U.S. Department of Agriculture (USDA) programs administered by Child Nutrition Programs (CNP), agreements between CNP and the actual providers of the services are kept on file. The USDA also requires that reviews or audits be performed on the providers or a sample of the providers on a periodic basis. These files contain the agreements, reviews, and correspondence between CNP and local providers. These providers may be participating in the National School Lunch Program, School Breakfast Program, or the Special Milk Program. The providers included in this series are not public school districts. They may be private schools or independent agencies. These records contain an agreement indicating the name of the sponsoring organization (SO) and the programs in which the organization is enrolled, certification of eligibility to be an SO, names of responsible authorities, reimbursement rates, and sites operated by the provider; reviews indicating the programs in which the provider is enrolled, sites visited and dates, and compliance or noncompliance with civil rights laws; checklists used by reviewers to verify compliance; correspondence between CNP and the local provider; demographic data on population served by local provider; and copies of reimbursement claim forms.

RETENTION:

Retain 3 years after final status report is filed with USDA.

DISPOSITION:

TITLE: Child and Adult Care Food Program audit reports

DATES: 1968-

ARRANGEMENT: Chronological by fiscal year, thereunder numerical by agreement number

ANNUAL ACCUMULATION: 2.00 cubic feet.

DESCRIPTION:

As part of its duty to oversee the U.S. Department of Agriculture (USDA) programs for which it is responsible, Child Nutrition Programs must provide for periodic audits of local providers which receive funds under the USDA programs. These reports are prepared by independent auditing firms and include a summary of the findings, including identification of any noncompliance on the part of the provider. If noncompliance is found, correspondence concerning this noncompliance will be included, as will decisions of any appeal.

DATES: 1975-

ARRANGEMENT: Chronological by fiscal year, thereunder numerical by contract number, thereunder chronological by month

ANNUAL ACCUMULATION: 0.30 cubic feet.

DESCRIPTION:

The Child Nutrition Programs (CNP) section is responsible for immediate oversight of the participants in the Child and Adult Care Food Program. This is a federal program under the responsibility of the United States Department of Agriculture (USDA). These records document how funds are used in the program by recipients and the amounts which need to be reimbursed by the USDA. Included are recipient allotment memos showing the revenue received by the recipient for the current and immediately prior fiscal years, the amount budgeted for the recipient, and allotments for the current month including any late claims; a ledger of payments which indicates reimbursement rates for different types of meals provided, number of those meals, reimbursement allotments, and annual totals for each of these categories; requests for reimbursement which generally indicate the name of the sponsoring organization, number of sites, enrollment or daily attendance, meal categories and their corresponding reimbursement rates, number of meals and reimbursement amount claimed, and certification by the preparer of the form.

DATES: ca. 1935-

ARRANGEMENT: Alphabetical by recipient name

ANNUAL ACCUMULATION: 0.30 cubic feet.

DESCRIPTION:

These records are composed of inventories reported from recipients of U.S. Department of Agriculture (USDA) commodities to the Child Nutrition Program Section at the Utah State Office of Education. The inventories show the names of the recipients and the quantities of each commodity which they have on hand. Records include the yearly request survey from each recipient agency that offers all products that the USDA will offer for the next year. In addition, these records include a detailed report generated monthly for each recipient that specifies each commodity, name, units, and price. This report indicates total value of commodities shipped to each recipient by month and also indicates each recipient's available Planned Assistance Level. A signed proof of delivery is also included.

RETENTION:

TITLE: Liquor tax ledgers

DATES: 1985-

ARRANGEMENT: Chronological by month

ANNUAL ACCUMULATION: 0.10 cubic feet.

DESCRIPTION:

State law [UCA 53A-19-201 (1993)] requires that the Board of Education provide for the support of school lunch programs in Utah. The funds approved for this are to be distributed by formula determined by the number of school lunches served in the individual public schools. This responsibility is delegated to the Child Nutrition Programs Section. In 1988, the legislature passed a 13% ad valorem tax on wine and distilled liquor to provide funds for the school lunch programs in the state (UCA 59-16-101). The ledgers in this series document the total revenues collected on a monthly basis and the amount distributed to each school for each month.

DOCUMENT TYPE(S):

Tax ledgers

FUNCTION(S):

Documents revenues collected and distributed from liquor tax to support school lunch program.

SUBJECT(S):

Amount of tax on wine and liquor collected.

SERIES HISTORY:
