AGENCY: Capitol Commission

SERIES: 11271

4

TITLE: Bids

DATES: i 1909-1917.

ARRANGEMENT: Alphabetical by subject, thereunder chronological.

DESCRIPTION:

To pursue the legislative mandate to "erect a suitable building" to serve as the Utah state capitol, the Capitol Commission issued a call for construction bids to contractors and artisans. This series contains the bids submitted to the commission by those seeking employment. The collection includes bids for furnishings, heating and ventilating systems, elevators, vaults, cuspidors, lighting, and numerous others. The series also documents inquiries from contractors to the Capitol Commission regarding the bidding process, contracts, operational budgets, and contract decisions.

The bids include information on Utah craftsmen, architects, and contractors, and significant information about construction techniques, planning, bidding processes, and labor and material costs from the period.

RETENTION:

Retain Permanent. Archives custody.

DISPOSITION:

Transfer to the State Archives with authority to weed.

STATE RECORDS COMMITTEE STATUS:

This retention has not been approved by the State Records Committee.

FORMAT MANAGEMENT:

The retention and disposition information on this schedule applies to the record copy which can be in any format. The record copy can include different formats. Format management information provided here is for the purpose of managing records that are being either stored by or transferred to Utah State Archives.

TITLE: Biennial reports

DATES: i 1913-1916.

ARRANGEMENT: Chronological

DESCRIPTION:

This report is an account of the monies used to build the State Capitol Complex. The report contains specific construction details and land procurement operations. The 1915-1916 edition includes more specific design expenditures and a small history of the construction. Pictures of various stages are also included. The report functions as the official publication of the building's construction.

TITLE: Bonds and contracts

DATES: i 1909-1917.

ARRANGEMENT: Alphabetical by subject, thereunder chronological.

DESCRIPTION:

In pursuing its legislative mandate to "erect a suitable building" to serve as the state capitol, the Commission entered into various legal agreements during the construction process. This series contains copies of bonds, contracts, and agreements issued by the Capitol Commission including those for furnishings, heating, lighting, fire proofing, decorative work such as painting and sculpture, flooring, and marble work. Building costs such as for materials and labor, insurance and bonding practices at the beginning of the twentieth century, the value of furnishings, and contractual agreements between general contractors and subcontractors are documented. This series includes information on Utah artists and craftsmen, architects, city and state officials, and significant information about construction techniques, planning, and labor costs from the period.

TITLE: Capitol design competition renderings

DATES: i 1909-1917.

ARRANGEMENT: Alphabetical by name of individual architect or firm

DESCRIPTION:

In order to select an architect to design Utah's State Capitol building, a design competition was held. This series contains the materials generated by that competition. The series includes numerous photographs and drawings of ideas for the capitol building, actual submissions for the design competition, a document establishing the rules for the design contest, and numerous photographs submitted as examples of competing architects work. [The winner of the competition is not included.]

DATES: i 1911-1917.

ARRANGEMENT: Alphabetical by name or subject, thereunder chronological.

DESCRIPTION:

The Commission was created to "cause a suitable design, together with plans and specifications . . . to be prepared for the erection of a state capitol building" in Utah. This series contains the commission's general correspondence addressing the design competition for the building. Letters from prominent artists and designers include those from: John W. Clawson, Cyrus E. Dallin, J. Leo and Avard Fairbanks, Gavin H. Jack, and Mahonri Young. There are also numerous suggestions from local citizens. The collection also contains important correspondence between the person eventually chosen through the competition as the capitol architect, Richard K.A. Kletting, and various individuals and organizations connected with the construction of the capitol. Additionally, the series contains information on construction techniques, planning, and labor costs from the period.
