DESCRIPTION:

These are the minutes of regular, special, and emergency meetings of official municipal committees, boards, and task forces. UCA 52-4-7(1) (2009) requires that written minutes be kept of all open meetings. These minutes shall include: "the date, time and place of the meeting; the names of members present and absent; the substance of all matters proposed, discussed, or decided, and a record, by individual member, of votes taken; the names of all citizens who appeared and the substance in brief of their testimony; and any other information that any member requests be entered in the minutes." Minutes are also required to be kept for all closed meetings in accordance with UCA 52-4-7(2) (2010) and to include: "the date, time and place of the meeting; the names of all others present except when such disclosure would infringe on the confidence necessary to fulfill the original purpose of closing the meeting." They may also include an official agenda. (See also Internal committee records).

ARRANGEMENT:

ANNUAL ACCUMULATION:

DESCRIPTION:

These are the minutes of regular, special, and emergency meetings of official municipal committees, boards, and task forces. UCA 52-4-7(1) (2009) requires that written minutes be kept of all open meetings. These minutes shall include: "the date, time and place of the meeting; the names of members present and absent; the substance of all matters proposed, discussed, or decided, and a record, by individual member, of votes taken; the names of all citizens who appeared and the substance in brief of their testimony; and any other information that any member requests be entered in the minutes." Minutes are also required to be kept for all closed meetings in accordance with UCA 52-4-7(2) (2010) and to include: "the date, time and place of the meeting; the names of all others present except when such disclosure would infringe on the confidence necessary to fulfill the original purpose of closing the meeting." They may also include an official agenda. (See also Internal committee records).

TITLE: Sewer service connection applications

DATES: 1960-

ARRANGEMENT: Numerical by account number

ANNUAL ACCUMULATION:

DESCRIPTION:

These applications are submitted to the agency by property owners requesting to be hooked up to the sewer system. They are used to find the cleanout and lateral sewer connection information for each building connected to the sewer lines within the sewer district. They are a primary reference used to document details of locations, completion of inspection, and the identity and contact information of the property owner. Information includes date of application, account number, receipt number, location of lateral connection, number and specific types of plumbing fixtures in the building, name and signature of property owner, date of inspection, name and signature of inspector, type of building, approval status and amount of inspection fee. Also included is a diagram on the back of the application detailing the address, specific location of the connection and measurements.
