SERIES: 82984

3

TITLE: Accident reports

DATES: 1982-

ARRANGEMENT: numerical by report number

ANNUAL ACCUMULATION: 1.10 cubic feet.

DESCRIPTION:

These files document traffic accidents investigated by the police department. The report usually includes complete information on all cars and drivers involved in the accident, accident location, damage, accident causes, date and time, accident diagram, description, and weather conditions. The original report is sent to the State Department of Public Safety if damage exceeds \$1,000, or injury or death occurs (UCA 41-6-35 (1997)), and is maintained for seven years.

RETENTION:

Retain 3 years.

DISPOSITION:

Destroy.

STATE RECORDS COMMITTEE STATUS:

This retention was approved by the State Records Committee on 12/01/1989.

FORMAT MANAGEMENT:

The retention and disposition information on this schedule applies to the record copy which can be in any format. The record copy can include different formats. Format management information provided here is for the purpose of managing records that are being either stored by or transferred to Utah State Archives.

Paper: Retain in Office for 3 years and then destroy.

Microfilm master: Retain in State Records Center for 3 years and then destroy.

Microfilm duplicate: Retain in Office for 3 years and then destroy.

AGENCY: Orem (Utah). Department of Public Safety

AGENCY: Orem (Utah). Department of Public Safety

SERIES: 27448

3

TITLE: Animal owner surrender forms

DATES: 2006-

ARRANGEMENT: Chronologically by date and thereunder alphabetically

ANNUAL ACCUMULATION:

DESCRIPTION:

These records are created to document the intake of animals into the North Valley Animal Shelter and to track where the animals go. The forms are initially filled out when people surrender animals to the shelter. This information is used to assist with the animal's for future placement. In addition to information about the animal, information in the records includes the animal owner's name, home and work phone numbers, address, date of birth, age, and driver's license information.

RETENTION:

Retain 5 years after last incident, expiration of license, or event.

DISPOSITION:

Destroy.

STATE RECORDS COMMITTEE STATUS:

This retention was approved by the State Records Committee on 12/01/2014.

FORMAT MANAGEMENT:

The retention and disposition information on this schedule applies to the record copy which can be in any format. The record copy can include different formats. Format management information provided here is for the purpose of managing records that are being either stored by or transferred to Utah State Archives.

Paper: Retain in Office for 5 years after event and then destroy.

TITLE: Incident and case reports

DATES: unknown

ARRANGEMENT: Numerical by case number, thereunder alphabetical by name

ANNUAL ACCUMULATION:

DESCRIPTION:

These are reports of crimes and other cases investigated by the police department. They contain all information as to the "who, what, where, why and how" of reported incidents. They are used for departmental information, follow-up investigation, and statistics. The reports are usually filed by case number in the computer system and are frequently part of a master file. They are divided into 5 major parts. (1) Header information: which includes department name, case number, nature of event, status, report date, time, arrival, cleared, location, officer name, description of offense, and the initial findings. (2) Persons business information: names, addresses, telephone numbers, age, date of birth, physical description, drivers license number, and employment and social security numbers of suspects, victims, reporting persons, arrested adults and juveniles, witnesses and other individuals involved. (3) Articles of property: type of property, quantity, make, model, color, markings, serial number, and comments. (4) Initial contact report: a brief synopsis of what occurred and charges. (5) Investigative narrative: this portion of the reports goes into a more descriptive detail of the events that occurred. They provide additional information concerning a public safety investigation. They also contain EMS and fire incident informations as the medical/fire services responded.

RETENTION:

TITLE: Insurance payoff case files

DATES: 2004-

ARRANGEMENT: Chronological by date received.

ANNUAL ACCUMULATION:

DESCRIPTION:

These files contain information about paid insurance claims on stolen property. When insurance companies pay claims on insured stolen property they file corresponding reports with relevant police departments. The reports document the insurance companies as the new owners of stolen property in the event that a police department recovers the property. Information in the insurance payoff files includes victim's name, address, and phone number as well as complaint number, date, itemized list of stolen items, and amount of loss. It also includes the claim information and name of insurance company.
