**TITLE:** Articles of incorporation record books

**DATES:** 1870-1961.

**ARRANGEMENT:** Alphabetical by book letter, thereunder chronological.

**DESCRIPTION:**

These volumes record copies of Articles of Incorporation filed with the Box Elder County Clerk by newly organized corporations. The record books were kept as the official copy which was available for public use. Under current Utah law and the laws of the territorial legislature, individuals desiring to incorporate, were to file and record articles of incorporation with their respective county clerk. These agreements specified the nature and place of business, amount of stock to be issued, terms for officers, etc. The clerk in turn issued certificate of incorporation and recorded the final articles of incorporation in these record books. The series ended in 1961 when registration of corporations was transferred to the State government and the Division of Corporations was created.
